FOR WHAT IT'S WORTH

From the Prez

I would like to thank everyone that came out for the workday at the airfield last month. All of the equipment was serviced and repaired as needed. I also understand that we have an application submitted to the County to obtain a fire/emergency location ID number. This will be a significant fact if we ever have need for emergency services. John and Brent have done a great job in getting that done.

The field is in pretty good shape for this early spring. Even though it was a little cool, it was nice to have the monthly meeting at the airfield. It's always good to see a nice turn out for the meetings at the airfield and enjoy the flying activities before the meeting.

At this last meeting we even had flying after the meeting. Larry and John performed an excellent demonstration of flying at dusk/dark with lights on their planes. It received a lot of OOOW's & AAAH's and quite a few AWSOME's. Thanks for the show guys. I'm sure we will be seeing more of the lighted night flying in the future.

We are now looking forward to the annual Swap Meet and fun fly coming up on 16th of May. We hope to see you all there. Come out and enjoy the event. It's always fun to browse the offerings at the meet or discovering the one such thing you absolutely must have. This one has the added benefit of being at the airfield and being able to enjoy some flying too. I hope to see you there. Food and Drink (soft drink) will be available..

Jokes for the Month

Blind Cowboy

An old, blind cowboy wanders into an all-girl biker bar by mistake. He finds his way to a bar stool and orders some coffee.

After sitting there for a while, he yells to the waiter, 'Hey, you wanna hear a blonde joke?'

The bar immediately falls absolutely silent. In a very deep, husky voice, the woman next to him says, 'Before you tell that joke, Cowboy, I think it is only fair, given that you are blind, that you should know five things:

1. The bartender is a blonde girl with a baseball bat.
2. The bouncer is a blonde girl.
3. I'm a 6-foot tall, 175-pound blonde woman with a black belt in karate.
4. The woman sitting next to me is blonde and a professional weightlifter.
5. The lady to your right is blonde and a professional wrestler.

'Now, think about it seriously, Mister. Do you still wanna tell that joke?'

The blind cowboy thinks for a second, shakes his head, and mutters,

'No...not if I'm gonna have to explain it five times!'

CATHOLIC LAST RITES

A BUS ON A BUSY STREET STRUCK A CATHOLIC MAN.

HE WAS LYING NEAR DEATH ON THE SIDEWALK AS A CROWD GATHERED. "A PRIEST. SOMEBODY GET ME A PRIEST!" THE MAN GASPED.

Long seconds dragged on but no one stepped out of the crowd. A policeman checked the crowd and finally yelled, "A PRIEST, PLEASE!"

"Isn't there a priest in this crowd to give this man his last rites?" Finally, out of the crowd stepped a little old Jewish man in his 80s.

"Mr. Policeman," said the man, "I'm not a priest. I'm not even a Christian. But for 50 years now, I'm living behind the Catholic Church on Second Avenue, and every night I'm overhearing their services. I can recall a lot of it, and maybe I can be of some comfort to this poor man." The policeman agreed, and cleared the crowd so the man could get through to where the injured man lay.

The old Jewish man knelt down, leaned over the man and said in a solemn voice:
