LARCC Meeting Minutes, March 19, 2008

President Kevin called the meeting to order.

Secretary's report was approved as printed in the March newsletter.

Old Business

1. Awards Committee is formulating the categories and will report back at a future meeting.

2. Annual Banquette will be held March 22nd at The Rodehouse (Hwy 19 & I90/94 in Windsor). Social hour 5:30-6:30. Dinner at 6:30. We can order anything off the regular dinner menu.

3. LeRoy S. will be the Contest Director for the fall Fun Fly.

4. Spring Swap Meet: flyers have been mailed, food will be brats, hot dogs and hamburgers. Buyers and spectators will not be charged an entrance fee. Sellers and flyers will be \$5.

5. Country Plumber was cheapest for the porta-potties. Contract for May thru Sept.

New Business

1. Error on website concerning info for new flyers. Sue will delete page until corrected. Added Kevin as a trainer on the trainer list on web.

2. Field is almost ready for rolling. David volunteered a trailer for the roller. Thanks David! Green mower is ready to go. Thanks Charlie! Charlie will also take a look at the white mower.

3. **We need your feedback!** A. Would members be interested in hosting an Electric Fun Fly this summer? B. Would members be interested in hosting an indoor swap meet, possibly in December? C. Would members be interested in hosting a District 7 Fun Fly in a couple of years?
Please email your anonymous response to Sue at slaub@chorus.net

SALE**

Funtana 40

Includes Magnum 91 Engine. Only flown by little old man on really nice days ☺ **\$300** Leroy Brandt at lebrandt@charter.net

From the Prez

Happy spring!

Most of the snow in my yard is finally gone. I still have one large pile in the front yard that has to melt. I suppose that means that I am going to have to start thinking about getting around to doing some spring yard clean up.

Speaking of yard clean up...at the April meeting we need to pick a date for a field clean-up/work day. Hopefully we can pick a day that works for a majority of members and mother nature cooperates.

I just returned from a very brief trip to the Weak Signals Show in Toledo. This was the first time back in about three years. I will have to say that I was somewhat disappointed. This doesn't mean that I didn't come home with some new toys.

The first thing I noticed about this year's show was that the swap shop area upstairs was much smaller. This seemed to continue a trend from some of the other swaps from this year.

There just didn't seem to be as many vendors/sellers as in the past. The quality of the stuff there was also not what it has been in the past. The number of completed airplanes was down as was the number of big birds. I went looking for a couple of old discontinued kits and even kits were few and far between.

I did come home with an ARF. I had a weak moment and decided I wasn't leaving without spending a little money. I have the thing close to being done and hope to have it at the next meeting. If nothing else, it gave me some motivation to get into the shop.

That's about all for now, I have to get back to the shop. Hope to see everyone at the next meeting, and bring your winter projects. Let's see how many we can fit in the meeting room.
