FOR WHAT IT'S WORTH

	From the Prez	
	<p>Happy New Year everyone. I know many of us were disappointed that our New Years Day Chili Fly didn't happen due to weather and field conditions. I hope the rest of the year fairs better our flying sport. We may yet have a chance to due a cold weather fly this year if enough people are interested. We can discuss the possibility of such an event at the January meeting.</p>	<p>I have a lake near by and I intend to get a few flights on an electric airplane this winter. Our meeting this month is on the 19th. We have a number of topics to discuss one of which is our calendar of events for the year. I look forward to seeing many of you there. I hear that we may have a considerable number of show and tell items there</p>

	Jokes for the Month	
	<p>A hunter and his friend were sitting in a tall tower stand early one cold December morning.</p> <p>Suddenly, a huge buck walked out over the corn they had spread in the low shrubs. The buck was magnificent, a once in a lifetime animal. His rack was huge.</p> <p>The hunter's hand shook as his mind was already counting the Boone and Crockett points.</p> <p>Moving quickly, the hunter carefully aimed his .25 WSSM at the unsuspecting buck.</p> <p>As he was about to squeeze the trigger on this deer of a lifetime, his friend alerted him to a funeral procession passing slowly down the Highway.</p> <p>The hunter pulled away from the gunstock, set the rifle down, took off his hat, bowed his head and then closed his eyes in prayer.</p> <p>His friend was stunned, "Wow, that is the most thoughtful and touching thing I have ever seen you do. You actually let that trophy deer go to pay respects to a passing funeral procession. You are indeed the kindest man I have ever known, and I feel lucky to call you a friend."</p> <p>The hunter shrugged.</p> <p><i>"Yeah, well, we were married for 37 years."</i></p>	<p>A Kindergarten teacher was observing her classroom of children while they were drawing. She would occasionally walk around to see each child's work.</p> <p>As she got to one little girl who was working diligently, she asked what the drawing was.</p> <p>The girl replied, 'I'm drawing God.'</p> <p>The teacher paused and said, 'But no one knows what God looks like'.</p> <p>Without missing a beat, or looking up from her drawing, the girl replied, 'They will in a minute'.</p> <p>THREE WOMEN, TWO YOUNGER, AND ONE SENIOR CITIZEN, WERE SITTING NAKED IN A SAUNA SUDDENLY THERE WAS A BEEPING SOUND. THE YOUNG WOMAN PRESSED HER FOREARM AND THE BEEP STOPPED. THE OTHERS LOOKED AT HER QUESTIONINGLY. 'THAT WAS MY PAGER,' SHE SAID. I HAVE A MICROCHIP UNDER THE SKIN OF MY ARM.</p> <p>A FEW MINUTES LATER, A PHONE RANG. THE SECOND YOUNG WOMAN LIFTED HER PALM TO HER EAR. WHEN SHE FINISHED, SHE EXPLAINED, 'THAT WAS MY MOBILE PHONE. I HAVE A MICROCHIP IN MY HAND.'</p> <p>THE OLDER WOMAN FELT VERY LOW -TECH. NOT TO BE OUT DONE, SHE DECIDED; SHE HAD TO DO SOMETHING JUST AS IMPRESSIVE. SHE STEPPED OUT OF THE SAUNA AND WENT TO THE BATHROOM. SHE RETURNED WITH A PIECE OF TOILET PAPER HANGING FROM HER REAR END.</p> <p>THE OTHERS RAISED THEIR EYEBROWS AND STARED AT HER. THE OLDER WOMAN FINALLY SAID.....WELL, WILL YOU LOOK AT THAT...I'M GETTING A FAX!!</p>
