FOR WHAT IT'S WORTH

	<h2 style="text-align: center;">From the Prez</h2>	
	<p>As we all know we have a Fun Fly event coming up on September 12. We have already started the planning and preparations for this event. The Fun Fly is our biggest event and one of the clubs key sources for the funds that help support the club and the upkeep of the airfield.</p> <p>Some things have already been completed or started. The filing for the sanction of the event has already been submitted to the AMA. The event will be advertised in Model Aviation Magazine. At the last meeting we decided to proceed to order the Raffle tickets for the advance sales public raffle.</p> <p>While we realize it is a bit early to make commitment as far out as September but we are asking for your support and help to make this a successful and fun event for all. We circulated a sign up list for duties and tasks needed for the event. Here are some areas that we really need help with:</p> <p>Food Preparation and Serving: We need a minimum of 4 people, 6 would be ideal</p> <p>Announcer/MC: 1 or 2</p> <p>Raffle Prize Control and On Site Raffle Ticket Sales: 2 to 3 people.</p>	<p>If you can help in any of these areas on the day of the event please sign up. You may sign up at the next meeting or by emailing Larry Barnes or myself .</p> <p>The preceding day, Sept 11, will be a setup / workday at the airfield to set up for the event. The duties include marking off parking areas, setting up tents, posting signs on the highways and setting up pilot station protection barriers. Please commit to help with these tasks if you can.</p> <p>As I mentioned previously we do have a public advance ticket sales raffle for that day. This is another area we can use some help. The club purchases a number of raffle prizes for this raffle but most of the prizes come from contributions and donations. If you know of any company, organization or person that would be willing to commit a donation to our cause please get the information to us. It's ok to solicit for donations on behalf of the club, which is a registered nonprofit organization.</p> <p>Again I appeal to you to help in any way you can to make this event a success for the club. Thank you to all of you that have already committed to help. I hope to see you all at our future meetings and certainly at this great event.</p> <p>Richard</p>
	<h2 style="text-align: center;">Jokes for the Month</h2>	
		<p>There's an old sea story in the Navy about a Ship's' Captain who inspected his sailors, and afterward told the Chief Boatswain that his men smelled bad. The Captain suggested perhaps it would help if the sailors would change underwear occasionally. The Chief responded, "Aye, aye sir, I'll see to it immediately!"</p> <p>The Chief went straight to the sailors berth deck and announced, "The Captain thinks you guys smell bad and wants you to change your underwear."</p> <p>He continued, "Pittman, you change with Jones, McCarthy, you change with Witkowski, and Brown, you change with Schultz. Now GET TO IT."</p> <p style="text-align: center;">The Moral of the Story is -</p> <p>Someone may come along and promise "Change", but don't count on things smelling any better.</p>
