Official Web Site Address: <http://www.larcc.com>

Contact Larry at the above information if you have questions or would like to have something published to the site.

FOR WHAT IT'S WORTH

From the Prez

Here we are coming up on the last meeting before the Fun Fly in on September 12. I want to thank everyone who has already stepped forward and signed up or volunteered to help with the event. We still have a few things to work out, but the planning and preparation is going well. We have received the printed Raffle tickets and will have them available at the August 18 meeting. So if you are at the meeting you can pick some up there. Otherwise for those members that do not pick them up at the meeting we will mail to them. Please take and sell as many as you can. We are still taking donations or contributions for raffle prizes.

On a sad note the Club is saddened by the loss of longtime member. Charlie Schultz passed away on July 22rd. Charlie was not only a longtime member but a sponsor, contributor and friend to the Club. He ran a Hobby Store that many of us relied upon, not only as a source for our R/C stuff, but the experienced friendly help and advise but most of all a friend. He will be greatly missed. Our sympathies to his Son and family. When ever I experience the loss of an aviation friend I am reminded of the poem "High Flight" which I realize is probably not new to many of you but I have chosen to reprint is here in remembrance.

High Flight

Oh! I have slipped the surly bonds of earth
And danced the skies on laughter-silvered wings;
Sunward I've climbed, and joined the tumbling mirth
Of sun-split clouds - and done a hundred things
You have not dreamed of - wheeled and soared and swung
High in the sunlit silence. Hov'ring there
I've chased the shouting wind along, and flung
My eager craft through footless halls of air.
Up, up the long delirious, burning blue,
I've topped the windswept heights with easy grace
Where never lark, or even eagle flew -
And, while with silent lifting mind I've trod
The high untresspassed sanctity of space,
Put out my hand and touched the face of God.

Jokes for the Month

Noddy is 90 years old. He's played golf every day since his retirement 35 years ago. One day he arrives home looking downcast. "That's it," he tells his wife. "I'm giving up golf. My eyesight has become so bad that once I hit the ball I can't see where it went."

His wife sympathises and makes him a cup of tea. As they sit down she says, "Why don't you take you old mate Milton, and give it one more try."
"That's no good" sighs Noddy, "Milton's a hundred and three. He can't help."

"He may be a hundred and three", says Noddy's wife, "but his eyesight is perfect." So the next day Noddy heads off to the golf course with Milton. He tees up, takes a mighty swing and squints down the fairway.

He turns to Milton and says, "Did you see the ball?"

"Of course I did!" replied Milton. "I have perfect eyesight".

"Where did it go?" says Noddy.

"I don't remember."

An elderly couple, who were both widowed, had been going out with each other for a long time. Urged on by their friends, they decided it was finally time to get married.

Before the wedding, they went out to dinner and had a long conversation regarding how their marriage might work. They discussed finances, living arrangements and so on. Finally, the old gentleman decided it was time to broach the subject of their physical relationship.

'How do you feel about sex?' he asked, rather tentatively.
'I would like it infrequently' she replied.

The old gentleman sat quietly for a moment, adjusted his glasses, leaned over towards her and whispered -
'Is that one word or two?'

FOR SALE

FOR SALE:

New Super Chipmunk 90S airplane from The World Model Manufacturing Co. Wing span is 64 inches. This plane has retractable landing gear and the retract servo is NOT included. The engine is a new MDS .68 FS Pro 2-cycle with a Pitts style muffler. The receiver and transmitter are NOT included. \$250.00 o.b.o. Ron Acker 608/849-7610 Email: ronaldacker@tds.net
