## FOR WHAT IT'S WORTH

## From the Prez

Judging by the turn out for the March club meeting and the super show and tell, it would appear the flying season is nearly upon us. It was obvious that some of our members were busy at the hobby this winter. It was great to have the models brought in for the meeting and share with the members.

We also had an excellent dinning out this month at Hookers Resort. While the dinning room was a little crowded and busy, the food, drink and camaraderie were great. The cook your own steak arrangement afforded a little more opportunity for mingling and story exchange. Thank you Larry for putting that together for us.

A few of our members will soon be making the annual trip to Toledo OH to the Weak Signals Club annual R/C Model Show in April. This show is spectacular with so many aspects of modeling and the hobby represented. There is representation there from all the major hobby industry venders and manufactures as well as displays of all categories and types of models built and by modelers from all over. It's real model lovers candy store.

As you may have guessed, I will be one of those in attendance and I'm anxiously looking forward to the trip. I would highly recommend the show to anyone with an interest in the hobby.

I look forward to seeing you all at the flying field soon.

Keep 'em Fly'n and be Safe.

Rich

## Jokes for the Month

ONCE UPON A TIME, A PRINCE ASKED A BEAUTIFUL PRINCESS.... 'WILL YOU MARRY ME?'

THE PRINCESS SAID, 'NO !!!'

AND THE PRINCE LIVED HAPPILY EVER AFTER AND BOUGHT NEW AIRPLANES AND WENT FISHING AND HUNTING AND PLAYED GOLF AND DRANK BEER AND SCOTCH AND HAD TONS OF MONEY IN THE BANK AND LEFT THE TOILET SEAT UP AND FARTED WHENEVER HE WANTED.

THE END!

---

**A positive attitude may not solve all your problems, but it will annoy enough people to make it worth the effort.**

### Four Worms and A Lesson

**A minister decided that a visual demonstration would Add emphasis to his Sunday sermon.**

**Four worms were placed into four separate jars..**

**The first worm was put into a container of alcohol.  
The second worm was put into a container of cigarette smoke.  
The third worm was put into a container of chocolate syrup.  
The fourth worm was put into a container of good clean soil.**

**At the conclusion of the sermon, the Minister reported the following results:**

**The first worm in alcohol - Dead.  
The second worm in cigarette smoke - Dead  
Third worm in chocolate syrup - Dead  
Fourth worm in good clean soil - Alive.**

**So the Minister asked the congregation -**

**What can you learn from this demonstration?**

**Maxine was sitting in the back, quickly raised her hand and said,**

**"As long as you drink, smoke and eat chocolate, you won't have worms!"**

**That pretty much ended the service**

# FOR SALE

## FOR SALE:

New Super Chipmunk 90S airplane from The World Model Manufacturing Co. Wing span is 64 inches. This plane has retractable landing gear and the retract servo is included. The engine is a new MDS .68 FS Pro 2-cycle with a Pitts style muffler. \$300.00 o.b.o. Ron Acker 608/849-7610 Email: [ronaldacker@tds.net](mailto:ronaldacker@tds.net)
