## LARCC Meeting Minutes, Oct. 20, 2010

President Rich Cohoon called meeting to order.

Treasurer's Report given and approved. Treasury balance was

Secretary's report was approved as written October, newsletter.

There were 8 members present

### Old Business

1. Jeff K. moved and spread fill dirt on the field to fill some of the problem area.

2. It was reported that the mower equipment committee has found and purchased a tractor mower for the field.

3. Equipment has been prepared for the winter and stored in the garage

### New Business

1. The equipment committee still has one more item to look at for consideration to purchase. A second used Swisher tow mower. There was unanimous agreement that we should proceed with the purchase if the mower is in good condition.

2. Next month will be officer elections for year 2011. The following are the nominees for the respective positions.

President –	Richard Cohoon
Vice President--	John Buford
Secretary--	Larry Barnes
Treasurer --	Brian Roberts
Safety Officer--	Brent Schwartzwald
Board Member--	Mark Johnson

Additional candidates for these positions may be nominated at the December meeting.

3. It was reported that David King will no longer be able to participate in the club as actively as he would like. He was nominated for an honorary membership to the club. The nomination was voted on and approved. Congratulations Dave and we hope to see you as often as you can make it to the field or meetings.

4. Meeting adjourned 8:00PM

## LARCC informaton

The Lodi Area Radio Control Club meets on the 3<sup>rd</sup> Wednesday of the month 7:00 at the Northern Edge Restaurant in Lodi (winter months) or at the LARCC flying field (summer months). If you have any questions about the club activities, please contact one of the following members:

## FOR WHAT IT'S WORTH

\*\*\*\*\* SPECIAL INFORMATION \*\*\*\*\*

A couple of months ago we appointed a committee to explore and or purchase some mowing equipment for the club to replace or relieve some of our older equipment. I would like to report that we have found two reasonable pieces of equipment. First we have acquired a John Deere mower tractor a model 425 for a very reasonable price of \$1500.00. This tractor is heavy duty and much more robust than our older equipment. It is in good operating condition. The other was we have purchased another Swisher 60" tow behind mower only 3 years old with little use for \$850.00. That is about half the cost of new one these days. We think these items will support our needs very well and gives us some security that we should be able to prevent any periods of not being able to mow due to equipment breakage as we saw this season. The board of directors has approved these purchases and believes them to be the fiscally responsible as it does not reduce our Treasury to a critical point

### NOTICE

We will be discussing a New Years Fly at the meeting. We need to confirm with Leroy to use the Lodi airfield flight shack.

A separate email will be sent with details of the event.

	<b>From the Prez</b>	
	<p>Happy Holidays everyone. It appears now as I write this that we are going to have snow for the holidays. Since I just removed 5 inches from the driveways and the weather forecast for the next ten days predicts highs to be below freezing. So I guess it's time to start the building and repairing projects in the hobby shop.</p>	<p>One of the things I am looking to do is to outfit some skis on an electric airplane so I can fly some this winter. I have a lake nearby where I might be able to make a few flights.</p> <p>At the December meeting we will have to discuss the New Years Day chili fly and get things going for that special event.</p> <p>Keep 'em Fly'n</p>

	<b>Jokes for the Month</b>	
	<p>Ole vas vorking at da fish plant up nort in Dulut when he accidentally cut off all ten of his finkers.</p> <p>He vent to da emergency room in the Klinik and vhen he got dare da Norsky doctor looked at Ole and said, "Okie dokie, let's have da finkers and I'll see vhat I can do."</p> <p>Ole said, "I haven't got da finkers."</p> <p>"Vhat do you mean, you hafent got da finkers?" he said. "Lordy- it's 2010 and Ive's got microsurgery and all kinds of incredible surgery techniques. I could hafe put dem back on and made you like new! Vhy didn't you brink da finkers?"</p> <p>Ole says....."How da heck vas I suppose to pick dem up?"</p>	<p><b>I finally got around to going fishing this morning but after a while I ran out of worms. Then I saw a cottonmouth with a frog in his mouth, and frogs are good bass bait.</b></p> <p><b>Knowing the snake couldn't bite me with the frog in his mouth, I grabbed him right behind the head, took the frog and put it in my bait bucket.</b></p> <p><b>Now the dilemma was how to release the snake without getting bit.</b></p> <p><b>I grabbed my bottle of Jack Daniels and poured a little whiskey in its mouth.</b></p> <p><b>His eyes rolled back, he went limp, I released him into the lake without incident, and carried on my fishing with the frog.</b></p> <p><b>A little later, I felt a nudge on my foot.</b></p> <p><b>There was that same snake, with two frogs in his mouth.</b></p>

# FOR SALE

## For Sale:

Navigation and landing lights for model airplanes and helicopters. 5mm, LED light set will include a Green and Red wing tip markers, Red and White strobe lights for tail and tail areas, one White landing light (100,000 mcd).
