FOR WHAT IT'S WORTH

Elections for the Sec. position will be held at the Dec meeting.

The Prez sayz

Happy Holidays everyone! It's hard to believe that another year and flying season has gone by. We have had an excellent year with our events having been so successful. Yet here we are into the winter months and time to hit the hobby room and build or repair and get ready for next years flying season. I always look forward to seeing some projects at the show and tell time of our monthly meetings.

At this months meeting we will have the election and appointment of the club officers for next year. Nominations for positions were made at last months meeting..

at present there is only one position that has more than one nominee for. That is the position of Club Secretary

In any case I encourage attendance at the meeting if you wish to participate in the election process. As reminder, keep in mind that you must be an active member and be present to vote in the club elections. There are no provisions for mail in or proxy votes.

As always we look forward to seeing members present at the monthly meetings.

Keep 'em Fly'n

Jokes for the Month

The children were lined up in the cafeteria of a Catholic elementary school for lunch. At the head of the table was a large pile of apples.. The nun made a note, and posted on the apple tray:

'Take only ONE . God is watching.'

Moving further along the lunch line, at the other end of the table was a large pile of chocolate chip cookies.

A child had written a note, 'Take all you want. God is watching the apples'

One day a little girl was sitting and watching her mother do the dishes at the kitchen sink. She suddenly noticed that her mother had several strands of white hair sticking out in contrast on her brunette head.

She looked at her mother and inquisitively asked, 'Why are some of your hairs white, Mum?'

Her mother replied, 'Well, every time that you do something wrong and make me cry or unhappy, one of my hairs turns white.'

The little girl thought about this revelation for a while and then said,

'Mummy, how come ALL of grandma's hairs are white?'

FOR SALE
