Selling due to health reasons.

Call Mike at 608-237-7224 or email at flaggman@charter.net with an offer.

From the Prez

Happy Thanksgiving!

After seeing a few snow flakes a few weeks ago it sure was nice to see 70 degrees this last week. From what the weatherman says the 70 degree weather is going to be a distant memory until next spring.

The field has been prepared for winter. A few weeks ago a few of us went out and pulled the batteries out of the mowers and stuffed them in the shed. The oil will need to be changed in the spring but all seemed to be in good working order and ready to go next year. Thanks to those who helped.

Last month's meeting I floated the idea of a small dues increase for the 2009 flying season. The increase in dues would help in paying our fuel costs, mower maintenance provide some seed money for the fly-in, set aside some for mower replacement and pay for other expenses that the club has for normal operating expenses. Right now the club treasury looks ok but if a mower needs major repairs or if the next fly in is rained out we may be looking at asking for assessments to get by.

To try and head that off a small dues increase would allow us to help extend the life of the treasury and try to even out any large bumps in the road that may crop up. There was no objection from the members present to the idea of increasing the dues. The discussion was tabled to get more feed back from more members. This discussion will be resumed at the November meeting. If you have an opinion on this subject please attend the November meeting.

Lastly this month, the November meeting opens up the nominations for club offices. If you are interested in running for office please attend the November meeting to get your name on the ballot for the December election.

That's all for this month. Bring your latest and greatest swap meet finds for show and tell, we'd love to see what treasures you found.

Jokes for the Month

Dumb Wisconsin Laws

You must manually flush all urinals in a building.

While all cheese making requires a license, Limburger cheese making requires a master cheese maker's license.

Whenever two trains meet at an intersection of said tracks, neither shall proceed until the other has.

State Law made it illegal to serve apple pie in public restaurants without cheese.

Citizens may not murder their enemies.

It is illegal to cut a woman's hair.

It is illegal to kiss on a train.

Butter substitutes are not allowed to be served in state prisons.

Car dealerships cannot sell cars on Sunday.

It is illegal to display an unclothed mannequin in a store window. (LaCrosse)

It is illegal to play checkers in public. (LaCrosse)

An old ordinance forbids parking for over two hours unless a horse is tied to the car. (Milwaukee)

It is against the law to play a flute and drums on the streets to attract attention. (Milwaukee)

It is illegal to purchase or use Sparklers in the city, yet you can buy fully disassembled automatic machine guns. (Milwaukee)

Women may not walk down a public street at night without being accompanied by a man. (Racine)

It is illegal to wake a fireman when he is asleep. (Racine)
