.....
The Lodi Area Radio Control Club is a model airplane club organized for fun and educational aspects of flying radio-controlled aircraft. We are Chartered Club 2930 of the Academy of Model Aeronautics.

Hours and days of operation at Quarry Field are limited to:

Gliders and Electric powered models may fly 7 days a week, any time of day.

Powered models may fly from 9:30 am to 8:30 pm.

The club meets on the third Wednesday of each month at 7:00 pm.

During the summer months, the meetings are held at Quarry Field. From September thru April and in case of rain during the summer, the club meets at the Northern Edge Restaurant in Lodi.
