Classic.

► **June 18, 2008**
LARCC Meeting
at Quarry Field.

President Kevin called the meeting to order.

Treasurer's Report given and approved.

Secretary's report was approved as printed in the April newsletter.

Old Business

1. Field has been rolled and ready to go.
Thanks Lyle!

2. Annual Banquette had a small but very nice turnout and the food was excellent!

3. May Swap Meet: Richard will take care of the food, etc needed (thanks Richard!) and will also help with grilling. There will be no impound. We will rope off a separate selling area so to not interfere with the flight line. **Set Up will be at 8:00 May 18.**

4. Voting results: 1 yes vote and 3 no votes for Electric Fun Fly, 1 yes vote and 3 no votes for Indoor Swap Meet, 1 yes vote and 3 no votes for hosting District 7 Fun Fly.

New Business

1. Work day will be April 27th at 10:00 and bring shovels.

2. Need a new windsock and flag.

3. Larry put together a welcome packet which includes the application to the club. Very nice Larry!

4. Annual Pancake Breakfast at the Portage Airport May 25 from 7-11 am. Adults \$7 and \$3 for kids.

5. Show and Tell: Lyle brought in a Great Planes Super Skybolt ARF with a Magnum .91. Larry brought in a scratch-built Tri Pacer with a Magnum .15. Brian had an E-Flight ARF Electric with 480 motor. Pictures are on the front page of the website: www.larcc.com

Funtana 40

Includes Magnum 91 Engine. Only flown by little old man on really nice days ☺ **\$300** Leroy Brandt at lebrandt@charter.net

From the Prez

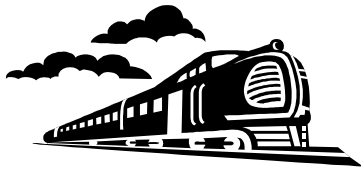

Wow, green grass, and who would have thought that it would actually stop snowing!!

A big thanks goes out to everyone who helped out on the work day at the end of April. There are still a few things left to do out at the field, but most are relatively minor and can be done through out the summer. We got most of the lawn mowers up and running. The refrigerators have been cleaned out and the holes in the field have been filled in. The field looks great and is ready for the flying season.

The next big event coming up is the annual swap meet on May 18. There will not be a meeting before the event so if you have any questions give me a call. We will need some help early on Sunday morning to help get stuff set up. This includes getting some signs out for directions and a few other minor tasks. Come on out early and help set up and bring along your unwanted airplane stuff. Remember your junk is someone else's treasure.

A reminder to everyone that the May meeting will be held at the field, weather permitting. Come early with an airplane and get some flying in before the meeting.

That's it for this month. Back to the shop to finish up one of the winter/spring projects that I hoped to finish this year. Hope to see everyone at the Swap meet on the 18th and the meeting on the 21st.
